The Nilfisk Buddy II 12 is a small, lightweight, yet powerful helper for picking up Wet & Dry debris... for your home, car, workshop and hobbies.

Nilfisk Buddy II 12 – the second generation – has a container capacity of 12 litres. The light weight and compact design makes it handy working with.
• 1200 watt motor will pick up any debris you want to get rid of.
• The Blow function provides you with another option for cleaning.
• Two big wheels at the back and two rotation wheels in front make the machine very stable and easy to move around.
• The standard wet filter protects the turbine and ensures a long lifetime.
• The built-in accessory holder provides storage for your accessories so that they are always at hand.
• Ergonomic grip ensures that the machines is in balance when you carry it around. The grip is shaped so that you can place the tube on top when having a break.
